

BCBSNC Removes Pre-existing Waiting Periods from Group Health Plans Ahead of Patient Protection and Affordable Care Act (PPACA) Requirement

BCBSNC has decided to take a pro-active approach on Health Care Reform. As of July 1st, 2010, BCBSNC will remove the pre-existing waiting period for all group members under the age of 19 regardless of when they are enrolled. This change will apply to all groups, no matter your renewal date, and will apply to eligible services received after July 1st 2010.

Groups will receive a notification from BCBSNC shortly regarding this change. RPG Solutions and BCBSNC encourage you to share this information with your employees, if they have any questions regarding the change they may contact BCBSNC directly at 877-258-3334.
